

# Spring Computer Classes 2017

## *Intro to Genealogy*

Thurs., March 30, 6:30 p.m.

Learn how to research your family history with our Ancestry and Heritage Quest databases. Using these, you can find a variety of records including military, census, public trees, and photos.

## *How to Sell on EBay*

Tues., April 4, 6:30 p.m. &  
Sat., April 8, 10:00 a.m.

Reprising a popular program, Library Director Patty Vahey will present the basics of eBay use so that you can learn how to list your items, ship them, and get paid.

## *Cutting Cable*

Tues., April 11, 6:30 p.m.

Tired of your expensive cable bills? Systems Librarian Jim Gilbert will show you alternate online services that can get you many of the same channels, but for less money!

The library has a few laptops that patrons can use for these classes, but we encourage you to bring your own if you have one.
