

# *3rd Tuesday Movie Night*

## December 18, 2018 @ 6pm

**PG / 1 hour 58 minutes / Animation, Action, Adventure**

While the Parr family has accepted its collective calling as superheroes, the fact remains that their special heroism is still illegal. After they are arrested and after being unsuccessful in trying to stop the Underminer, their future seems bleak. However, the wealthy Deavor siblings of Devtech offer new hope with a bold project to rehabilitate the public image and legal status of Supers, with Elastigirl being assigned on point to be the shining example. Having agreed to now stay at home to care for the kids, Mr. Incredible finds domestic life a daunting challenge, especially with baby Jack-Jack's newly emerged powers making him almost impossible to manage. However, Elastigirl soon has her own concerns dealing with a menace of a new supervillain, Screenslaver, who is wreaking havoc with his mind control abilities. Now Elastigirl must solve the mystery of this enemy, who has malevolent designs on the world with the Parr family and friends key targets of this evil.
