

# First Tuesday creation Station Club

In this monthly club  
(recommended for Grades 2-6),  
kids will meet to participate in STEM building.

Each month you attend  
you'll be asked what you'd like to work on  
in the following month.

An optional competition may be offered  
each month for anyone who wants to  
compete for the best-built project.

Some Creation Station activities planned are  
building with Legos, Duplos, Magna-Tiles,  
Lincoln Logs, floor puzzles and  
a variety of other STEM materials.

We may also put out coloring pages  
all or some months for anyone who wishes  
to create in other exploratory ways!

Join us every 1<sup>st</sup> Tuesday from 6:30-7:30pm!
