

Spring Sock Drive 5,000

Do you want an easy way to help someone in need? This year, the **Lehigh Valley Business Group** (www.lvbg.org) is running a sock drive with the goal of collecting and distributing 5,000 or more pairs of socks to the people who need them. The Whitehall Library will be acting as one of the collection centers, and you can bring in clean, new socks of any size, style, or color.

We will collect socks through
Thursday, June 28, 2018.

Thank you!
