Sept. 2017

Dear Library Supporter,

The Whitehall Township Public Library recently celebrated **50 years of service (2015)** to our community and began the planning for its next 50 years. Sometimes people question whether there is still a role for public libraries in communities. **The answer is "YES"**. If you have not been to a library recently, they are no longer how you may remember. Libraries, including the WTPL, have evolved with the digital world.

Some of the services provided by WTPL include high speed internet connection, Wi-Fi availability, informative and entertaining programs for both adults and children (see calendar online or pick one up), assistance with resume writing and employment applications, recorded and downloadable books, CDs, and DVDs, homework and research resources, reading programs for all ages, story times and other family events, and of course books, magazines, newspapers and large print books. The WTPL has the distinction of being the only library in the Lehigh Valley having a low vision reading device with audio for the visually impaired.

The Whitehall Library staff and Board are committed to providing our patrons excellent service at all times. Everyone works diligently to make available the materials, programs, and technology that are most helpful to and enjoyed by patrons. We are also proud to say that WTPL continues to be one of Whitehall's leaders in community service. The Board and staff of the WTPL have declared December, 2017 open house at the library and invite the public to visit.

Yes your library is supported by tax dollars but those dollars fall short of needs and must be supplemented with additional donations and fundraising to maintain your library as one of the premier libraries in the Lehigh Valley. **All donations are appreciated and tax-deductible to the extent allowed by law.** They play a vital part in enabling us to continue to provide the highest quality services to the community we serve. To make a donation please complete the following form and mail with donation to: "Whitehall Township Public Library, 3700 Mechanicsville Rd., Whitehall, Pa 18052".

Yes! I would like to support the WTPL with the following donation:

****Amount \$** _____
