

Honorary and Memorial Donations

Donations honor individuals by providing books or other library materials for the use of the Whitehall community. You may honor both living and deceased individuals. Celebrate a significant anniversary, birthday or just to honor someone who is special to you.

We will put a bookplate inside any materials that you donate. This bookplate tells everyone that uses the material you donated it to honor your special person. In addition, we list the materials donated in our library catalog under the person's name. You can search our catalog by the person's name to see the donated material.

Print this page, complete the form and return with your check to make a donation.

Please PRINT in all areas. Make checks payable to *Whitehall Township Public Library* and should be marked "Donation". When you are finished, please send or bring this form to us at:
